

Financial Hardship Policy

Financial Hardship

The Telecommunications Consumer Protections Code C628:2019 defines Financial Hardship as a situation where a customer is unable to discharge of the financial obligations in relation to our services but where the customer expects to be able to do so over time if payment arrangements are changed.

We are here to help

We will work with you to help you respond to financial difficulty, whether temporary or long-term. We are committed to helping customers facing financial hardship maintain telecommunications access and working with you to find a sustainable solution. Any help we can give will depend on your individual circumstances, and we provide help on a case-by-case basis.

Contact us:

We encourage you to contact us if you experience any difficulties paying our services. Please contact us by calling 1800 733 368 if you would like to discuss any Financial Hardship matters with us. You can do so from Monday – Friday (8.30am - 7.00pm). You can also contact us by email: membersupport@moretelecom.com

The process and information we require:

When assessing your eligibility for Financial Hardship, in certain circumstances we may ask you to provide certain documents such as:

- Income details,
- A statutory declaration or official written communication from a person or support group that is familiar with your circumstances,
- Evidence that you consulted a recognised financial counsellor,
- A statement of your financial position.

These would generally only be requested if we deemed the financial position to be long term; or the amount to repay was significant or large; or you had not been a customer with us for very long; or we suspected that the debt was caused in fraudulent ways.

You should be aware that in making an assessment under this policy:

- we may use the information you provide as well as other information available to us;
- we may not be able to make an assessment of your circumstances if you do not provide us with the requested information.

- if you provide information which is false or incomplete, we may not be able to provide you with any hardship support or if we do, and we subsequently discover it to be false or inaccurate, then your hardship support may be cancelled;
- we may need to request additional information if what has been provided is not sufficient;
- we will consider your individual facts and circumstances, your supporting documentation and make an assessment on a case-by-case basis and have regard to the overall level of debt of the Customer. Our intention is to assist and support you through financial hardship where we are reasonably able to do so.

Once we have received all required information, we will let you know within 5 working days whether you are eligible for assistance under our Financial Hardship Policy.

If you are eligible, we will work with you to come to an arrangement that allows you to pay your outstanding charges in a way that does not worsen your financial position. Where appropriate we will discuss means with you how to limit your spend (this may include barring some service features) during the time of our arrangement and thereafter.

This may include:

- Spend controls;
- Restriction of service, in respect of overall or specific services;
- Transfer you to a Pre-Paid Service;
- Transfer you to a contract which includes hard caps or Shaping: or
- Low cost interim options until the Customer can continue with original payments.

We may suggest suitable financial arrangements to help you settle the debt. These may include:

- Temporarily postponing or deferring payments (for a longer period than would typically be offered to Customers requesting an extension outside of Financial Hardship arrangements);
- Agreeing on an alternative arrangement, plan, or contract, including discussing Pre-Paid Services;
- Discounting or waiving of debt;
- Waiving late payment fees;
- Waiving cancellation fees
- Incentives for making payment, for example payment matching.

Once we come to an agreement, we will put this in writing via letter or email to you. This will set out all the details of the arrangement that we have agreed including when it commences and finishes. This will also set out your rights and the obligation you have to inform us if your circumstances change (for better or for worse) during our arrangement.

We will not charge you for assessing your Financial Hardship circumstances or for administering the matter.
